

All USAR Track Representatives,

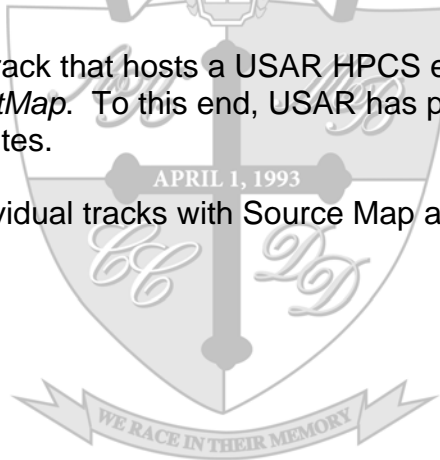

The purpose of this letter is to acknowledge the relationship between United Speed Alliance Racing (USAR) – Hooters Pro Cup Series (HPCS) – and Source Map, Inc. Source Map has agreed to include USAR and HPCS in the 4th edition of its *Famous Motorsports Raceways of North America ArtMap*.

As a result of this agreement, each track that hosts a USAR HPCS event will have an opportunity to have their venue featured on said *ArtMap*. To this end, USAR has provided Source Map with contact information for each of its 21 event sites.

Any agreements entered into by individual tracks with Source Map are at the sole discretion of each track's management.

Sincerely,

Patrick V. Rogers
Marketing Director
